Enabling knowledge management (KM)

Our company specializes in creating IT tools for knowledge sharing and collaboration using web-based technologies.

We also provide consulting on knowledge management, IT and communication strategy; change management and online learning.

We have built knowledge sharing tools in the form of websites, intranets and extranets for NGOs, small and large businesses, government agencies and multilateral institutions.

Our Clients

- Philippine Government: DILG, DOH, NWRB
- Haribon Foundation
- Institute for Popular Democracy
- Probe Media Foundation
- Inter-Press Service - Asia-Pacific
- Asian Development Bank
- Globe Telecom
- Luen Thai (China)
- Watson Wyatt - Asia
- Pioneer Insurance & Surety Corp
- Copylandia

Our Expertise

We can help you become a knowledge-driven organization: improve your business processes, increase productivity and promote innovation through knowledge management tools and techniques. Here are some details of what we can do:

- Develop intranets to facilitate information sharing.
- Deploy easy to maintain websites that improve relationships with customers and suppliers.
- Design or customize software to suit your needs.
- Consulting on business management, particularly in IT and knowledge strategies.
- Training/mentoring on open source technology, low-cost IT infrastructure setup, and knowledge management.
